

Life is full of little pleasures, if only you could open your eyes to see them.

La vie est pleine de petits plaisirs, si seulement tu pouvais ouvrir les yeux pour les voir. Le premier goût d'un café le matin. Le sourire d'un ami d'enfance. La lumière dorée du soleil qui danse sur les vagues. La fraîcheur d'une margarita après une longue journée. L'éclat de la lune qui te rappelle de t'arrêter et d'apprécier le monde qui t'entoure. Find magic in the little things.

Signature Cocktails

Ruby's Choice 70

Butterfly Pea Tea Infused Skyy Vodka, St-Germain,
Bamboo Leaf & Cranberry Tea Essence, Kumquat Shrub,
Sparkling Wine

Why is this my first choice? As with all beautiful things in life,
this cocktail is light-hearted, refreshing and elegant...
with just a little sparkle.

A Sip of Joy 90

Mijenta Tequila Blanco or Lost Explorer Espadin
with Cointreau, Clementine Beer Lemonade,
Brush of Yuzu Furikake

Joy is found in life's little moments. With its citrusy punch and
layers of flavour, this twist on a Paloma is soft and seductive.
Choose your pleasure between a tequila base or a mezcal base.

Leap of Faith 100

Michter's US*1 Kentucky Straight Bourbon, Cynar,
Matcha Essence, Lemon Juice, Aromatic Bitters

There isn't a more blissful feeling than that of smooth,
velvety bourbon. With the added depth of matcha, this cocktail
is worth the leap - trust me.

Feel Good Collins 75

Bombay Sapphire Gin, Chambord, Strawberry Soju,
Raspberry Essence, Sūpāsawā, Fever-Tree Raspberry
& Orange Blossom Soda

With fruity and floral notes refreshing its botanical base,
this play on a Tom Collins makes me feel like I'm walking
through a bright meadow.

Between the Creeks 80

1615 Pisco Mosto Verde Quebranta, Bacardi Carta Blanca,
Grand Marnier, Toasted Marshmallow Essence,
Lemon Juice, Aromatic Bitters

Let's have some fun with this reinvention of the 20s era classic, 'Between The Sheets', by adding toasted marshmallow flavours - a sweet ode to our cloud-high terrace. I say, "Why not?".

Bitter Wish 80

Citadelle Gin, Monkey 47 Sloe Gin, Lillet Rosé, Campari,
Crème de Banane

Be careful what you wish for. With unexpected hints of berry, fig and banana, this twist on a Negroni may be just what you need.

Kill'em with Kindness 85

Hennessy VS, Wild Nettle Cordial, Oleo-Saccharum,
Fresh Seedless Lime, Fever-Tree Sparkling Ginger

The comforting warmth of cognac is side-by-side with wild botanicals and a kick of ginger. This cocktail reminds me to stay strong but gentle.

From Jalisco to Paris 95

Siete Leguas Blanco infused Sous Vide Style with
Kaffir Lime & Lemongrass, Orange Curaçao,
Lime Juice, Agave Essence

This French-Mexican cocktail blends two worlds together as aromatic herbs and fresh citrus are delicately embedded within the tequila. My Paris, softly infused with Latin American spirit.

Zéro Pourcent

Cinfully Yours 55

Organic Carrot & Apple Juice, Lemon Juice,
Cinnamon Essence, Fever-Tree Sparkling Ginger

This fruity concoction sparkles with warming notes of
cinnamon and ginger. It's just like me - bubbly and sweet
but with a deep soul.

Thymeless 55

Homemade Thyme Essence, Pear Juice, Lemon Juice,
Fever-Tree Raspberry & Orange Blossom Soda

Good things take time. In this sophisticated drink, fruit flavours
are blended with the earthiness of homemade thyme essence.
Can you taste the love this was made with?

Peaches Gone Wild 55

Organic Blueberry Juice, Basil Essence, Lime Juice,
Grilled Nectarine & Peach Foam

Sweet, herbaceous and tangy, this beverage errs on the wild side
with the unexpected silky-smoky feel of its luscious foam.
Whenever I drink this, the night never seems to end.

A stylized, handwritten signature in dark red ink, reading "Ruby".
